

OSHA 10-HR CLASS SCHEDULED CONDUCTED BY A-Z SAFETY RESOURCES

CLASS DATE: MARCH 22, 2010

MONDAY

Presented by: A-Z Safety Resources

Facility Host: Arizona Builders' Alliance/ AGC

Safety First for your Employees!

HELP THEM GO HOME EACH DAY SAFELY

Includes: Fall protection, excavation, scaffolding, ladders, electrical, HazCom.

Also included: employer/employee rights, understanding OSHA Standards, health standards as well as fire safety, personal protective equipment, etc.

Onsite factual photos, videos, OSHA Interpretation Letters, Bulletins, Quick Cards, etc.

OSHA's 10-HR Course Completion Cards are accepted by industry for OSHA standards' recognition. They are required for contract qualification by many Owners throughout Arizona and US.

Instructor Jane Williams completed 8-years on the Federally appointed OSHA ACCSH committee, is a current member of ANSI A10 Committee and ABA, AGC, NSC ASSE member

SPECIAL POINTS OF INTEREST:

- ◆ Students will recognize OSHA Standards
- ◆ Class Starts Promptly @ 7:00 am each day thru completion.
- ◆ Students will be provided a non-binding class exam
- ◆ Students must attend all hours, no exceptions!

Contact: Jane Williams for Questions or comments at 602-569-6330 or e-mail: jane@azsafetyresources.com

Course will concentrate on ADOSH emphasis programs and Focus Four.

< All wrong ways

BUILD SAFETY INTO EVERY PROJECT. ITS A BLUEPRINT FOR LIFE!

A strategic multi-subject course necessary for all superintendents, project managers, foremen, estimators and employees classified by their employers as Competent Persons.

Also satisfies the requirements for the **Southwest Safety Training Alliance 8-HR Class** (additional fees required for SSTA members (\$15) non-SSTA members (\$50).

Strategic Planning includes safety, health and environmental considerations before the job begins.

Site Specific documents:

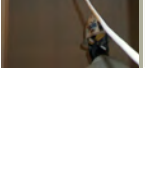

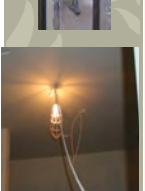

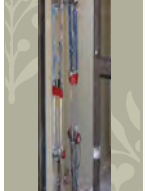

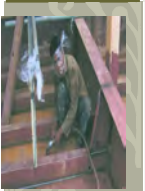

- What are they
- How do they work
- Who prepares them
- Replace outdated toolbox logic.
- OSHA Inspections

OSHA's Outreach Programs have become the industry standard for all safety conscious employers.

A non-binding review exam is provided.
