

# Volunteer Day a great success!

The ABA's 15<sup>th</sup> annual Volunteer Day at Marshall Home for Men, a non-profit, assisted living facility that is home to more than 50 elderly, low-income men, was a huge success as more than 200 volunteers participated in the event. Many of the home's residents are war veterans who have earned such commendations as the Silver Star, Bronze Star, Navy Cross and Purple Heart. About \$125,000 in materials and labor was donated to the renovation effort. The ABA thanks the many companies and individuals who made the event possible. Pictures from the event can be found on the ABA's website at [www.azbuilders.org](http://www.azbuilders.org).
