Evaluation Form

## Reviewing and Approving OJT

**Verify the Apprentice has entered the correct month and year and that your company is listed as the contractor.** If any of those are incorrect, the submission will need to be rejected which is explained on the last page. For example, the contractor is missing for this apprentice so it should be rejected. If correct, move on to the next step to verify hours.

Monthly Work Hours

Please review the hours entered by the apprentice

**Work Report Detail**

Month Worked: June, 2019 Total Hours: 160.0

Days 1-16 Days 17-30

Work Description	1 Sa	2 Su	3 Mo	4 Tu	5 We	6 Th	7 Fr	8 Sa	9 Su	10 Mo	11 Tu	12 We	13 Th	14 Fr	15 Sa	16 Su	Total
600- Preliminary Work			8		8						2						35
601-Residential & Commercial Wiring				4						8							27
602-Residential & Commercial Finish Work				4							6			8			50
603- Industrial Lighting Service Installation						8						8	4				31
604- Trouble Shooting							8						4				15
605- Motor Installation & Control																	2
Daily Total			8	8	8	8	8			8	8	8	8	8			160

**IMPORTANT** – Hours should be verified for accuracy. The easiest way to do this is by obtaining a payroll report. There are also a few “red flags” that often require a little more investigation including: working major holidays, working 7 days per week, and working more than 8-10 hours per day. While it is known working those hours can, and do occur, it is something we will likely flag in the office and request payroll records and/or verification.
